ACTIVITY GUIDE

Life of Worship
Week 3: Open Up!

A Note of Worship

A tangible way for students to worship God for what He's doing in them and in their lives.

Activity Objective

Design a postcard that shows what God is doing in your life right now or worships Him for the way He made you.

You'll Need

- Scratch art postcard (1 per student)
- Scratch stick (1 per student)
- Pen or pencil (1 per student)

Instructions

Say: Today, we're learning that we can open up and worship God anytime, anywhere! Let's worship Him right now by uncovering the treasure He's placed in our lives and worshipping Him with it and because of it!

1. **Give** each student a scratch art postcard and a scratch stick.
2. **Students draw** on the front of the postcard by gently scratching away the dark film and revealing the colors underneath.

Ideas for drawing:

- Draw the best thing God is doing in your life right now.
 - Draw some ways you can honor God with your attitude, actions, and words.
 - Draw something you think God has made you good at—that you want to use to worship Him.
 - Draw an abstract design that shows how amazing and beautiful God is.
3. If time allows, students **write** a note of thanks and worship to God on the back of the postcard.
 4. Encourage students to bring their postcard home, place it somewhere that will remind them to worship God, and write more thanks to God on it.
 5. **Important:** Collect scratch sticks when you're done for later use.
